1. The Papierfabrik Muldenstein GmbH (Muldenstein Paper Factory, Ltd.) in Muldenstein (N 52/E 15), was dismantled in the fall of 1946. All installations and raw material stockpiles, as well as about 50 skilled workmen, were moved to Stalino. It has not yet been reported that production has been resumed. No information has been received yet on the installations and capacity of the power plant in the factory.
